

(解答)

The image shows a 10x10 grid with thick black lines forming a 5x5 pattern of larger squares. Each of these larger squares contains a number in its top-left cell and a gray geometric shape. The numbers are: (1,1)=8, (1,2)=4, (2,1)=3, (2,2)=5, (3,1)=7, (3,2)=2, (4,1)=3, (4,2)=1, (5,1)=2, (5,2)=3. The shapes include straight lines, L-shapes, and a cross-like shape, all with circular endpoints.
